

KidzArt & Club Scientific Code of Conduct

Operated by Tiger Sparrow Inc., DBA KidzArt & Club Scientific – St. Johns

Our programs are joyful, hands-on spaces where kids can create, experiment, and explore. To keep everyone safe, supported, and successful, all participants are expected to follow the guidelines below.

By joining our program, you agree to:

1. **Be Kind**

Treat instructors and classmates with respect. Use kind words and actions.

2. **Be Safe**

Keep hands, feet, and objects to yourself. Follow directions the first time. We have a zero-tolerance policy for physical harm or violence.

3. **Be Ready**

Participate with a positive attitude. Try your best, ask questions, and stay engaged.

4. **Be Responsible**

Use materials and tools properly. Clean up after yourself. If you make a mess, help fix it.

5. **Make It Right**

If a mistake is made, take responsibility. We'll help you reflect, restore, and grow — not punish.

Important Notes for Families

We believe in second chances and guiding students through growth. However, repeated disruptive behavior may lead to removal from the program. Physical altercations or unsafe conduct will result in immediate removal and may lead to dismissal without refund.

Let us know if your child needs specific support, and we will do our best to accommodate them with care and respect.
